Welcome to the Hotelstars!

"Hotelstars Union" is a partnership between currently 17 European countries – Austria, Belgium, Czech Republic, Denmark, Estonia, Germany, Greece, Hungary, Latvia, Liechtenstein, Lithuania, Luxembourg, Malta, Netherlands, Slovenia, Sweden, Switzerland – and some observers, providing a harmonised hotel classification with common criteria and procedures.

The catalogue contains all the criteria by which a hotel is classified in each of the five categories of the Hotelstars Union classification system and guarantees quality and service for the guests, transparency and security for the hotels and meets both sustainability issues and technological developments.

The Hotelstars Union was founded in 2009 under the patronage of HOTREC - the umbrella association of hotels, restaurants and cafés in Europe.

15 No "Junior suites". Suites consist of at least two separate rooms; one of which is furnished as a bedroom and one as living room. In order to ensure that guests can make full use of the hotel services, suites must be situated in the hotel building.

Supplement "Superior" ⁶¹				180	270	410	610	710

60 For a hotel with breakfast only ("hotel garni") the number of points to be reached is lowered by 20 points in each category, as criteria 202 to 208 do not apply. A "hotel garni" cannot obtain 5 stars.

61 The accreditation "Superior" indicates excellent hotels having acquired considerable points beyond the threshold points of their category, but which do not comply with the minimum criteria of the next higher category. Such hotels usually offer a higher degree of service. "Superior" is not accessible to "hotels garnis".
